COMMONWEALTH OF THE PHILIPPINES
NATIONAL ASSEMBLY
MANILA

June 27, 1938

My dear General Valdez:

Among the many friends who rejoice in your appointment as Chief of the Philippine Constabulary, I ask to be one and be allowed to extend you my hearty congratulations and best wishes for your success in your new Office. In this connection I recall with great satisfaction my sponsoring the bill authorizing you to accept foreign decorations, and your promotion to your exalted position is a further recognition of your signal services to our country.

Please count on my services in whatever my limitations in the National Assembly and my personal resources could be useful to your program.

Very sincerely yours,

Major-General Basilio J. Valdez
